Free Walk-Ons for junior members actively participating in Level II+ and up, they may not reserve courts ahead of time.

Level II+

Intermediate. Ages 10 & up. Same as general Level II, but only for pre-teen and teenage students.

Level III/Junior Stars

This class combines stroke production and technique with strategy and match play. Students are starting to use spin (topspin and slice) on groundstrokes. It utilizes the correct grip on volleys and overhand serves. Students understand the scoring system and have good fundamentals with improving footwork. Most students are middle school or JV team ready.

Level IV/Varsity

Class is focused on High School Varsity and tournament-level players. Students are expected to know grips and spins in all shot categories and can understand/apply strategy and tactics. Emphasis will be placed on competition. Movement between courts will be based on performance. 2-day attendance is encouraged.

Junior Match Play

Level II+ and up play matches to develop on-the-court experience with technical elements that are learned in our clinics and private lessons. Contact Ghassan Al-Ansi at ghassan@beechmontfitness.com or 513-993-8286.
